

Benefit from Telescope Health

Supporting the health and well-being of your employees and their dependents.

Telescope Health enables employees to receive virtual care from high-quality providers and care navigators in the comfort of their home, on their own schedule.

Benefits for Employees

- Convenient access to virtual healthcare anytime, anywhere
- Reduced time off work for medical appointments
- 24/7 dedicated care navigation
- Arranging primary care and specialist followup appointments
- Helping to find cost-effective solutions for in-person care

Benefits for Employers

- Increased productivity with minimum work disruptions
- Cost savings for employers and employees by avoiding unnecessary emergency room visits
- Enhanced employee satisfaction and retention
- Promotes preventative care and wellness initiatives
