

Compliance Services

Offer the benefits you want with peace of mind

Giving your employees access to the best benefits while doing it in a compliant manner that meets all of the required IRS and Department of Labor requirements is crucial. That's because the penalties for non-compliance are mind-numbing.

\$4 Million Fine

Not reporting information on your health insurance coverage to your full-time employees

\$110 penalty per day, per employee

Failure to provide a Summary Plan Document to your employees

\$2,739 per day fine

Failure to file Form 5500 on a timely basis

Ameriflex Compliance Services

Our full suite of compliance services gives you the confidence and resources needed to stay up-to-date with ever-changing IRS requirements. As a 20+ year industry leader, we do compliance better than anyone else. Our services include:

- Premium Only Plan (POP) document ordering
- Form 5500 Filing
- SPD Wrap Documents
- Section 125 Non-Discrimination Testing
- ERISA Support
- Federal Notices
- 1094/1095 C-form and B-form ACA Reporting

Why Choose Ameriflex Over Another Vendor?

- **We're experts** of IRS regulations, tax codes, ERISA, COBRA, and consumer-driven healthcare benefits.
- **We're insiders** and make frequent visits to Washington, D.C. to learn the latest in healthcare reform. While you're busy doing what you do best, we're protecting you behind the scenes and lobbying for a better healthcare system.
- **We protect you** In an industry full of change, Ameriflex is your constant source of protection. Local administrators may do the bare minimum for you - it's a risk not worth taking.
